

REMARKS

Claims 29 and 30 are amended in response to the comment in the Notice of Non-Responsive amendment.

The elected species (as per the response filed 10/10/08) is polyolefins as “a” and crosslinked polyvinyl lactams as “b.” The current claims do not recite polyvinyl lactams, but instead polyvinylpyrrolidone which is a type of polyvinyl lactam. Applying the prior election to the current claims, the elected species is understood as polyolefins as “a” and polyvinylpyrrolidone as “b.”

The claims which read on the elected species are 29, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40.

No fee is believed to be due in connection with this response. If any additional fee is determined to be due, please charge Account No. 03-2775, upon which the undersigned is authorized to draw.
